

I Speak Good Words to my Ori

I AM SPECIAL

Oriki - Praise Poetry

In our tradition we say Oriki to express good feelings like gratitude. We either sing or chant these to our Ori.

You are special

List a few things that make you special. You don't have to do 6, but it's good to try.

Let's make an Oriki to your Ori

This will be special because it will be YOURS. Your parents can help.

An Oriki needs -

- Who - Well that's easy. Ori. You can say Dear Ori, Iba Ori, or any other greeting you like for your Ori.
- Gratitude - You can thank Ori for being good, or choosing a good family, whatever you want to say about Ori
- Then what's makes you special. This is what is unique to YOUR ORI.
- Then thank Ori for everything! Modupe O Ori.
- Then Finish off with ASE!
